

2019-2020 GoTeach! Classroom Grant Signature Form

Please read all statements below prior to signing, dating and uploading your completed form as part of your GoTeach! Classroom Grant application. Reminder: Your application is not complete unless this form has been signed by all parties and attached to your grant application.

I grant the Palm Beach County Education Foundation the right to use this proposal and the results of this project, if funded, for public information purposes or to help other educators.

If awarded a grant from the Education Foundation of Palm Beach County, I understand that I am expected to complete a mid-year progress update and a final evaluation. I am also expected to share photos and report on the effectiveness of the project.

I verify supplies and equipment purchased with grant funds do not become the personal property of the grant recipient. However, materials can travel from school to school with the recipient. Upon resignation or retirement, the materials become property of the school where last held.

If awarded a grant from the Education Foundation of Palm Beach County, I understand that I am expected to manage expenses through ClassWallet online, and any dollars not used by the given deadline will be returned to the Foundation.
