Education Foundation of Palm Beach County's Mission

The Education Foundation of Palm Beach County is the nexus of Palm Beach County public-school system, the private sector, and the community. The Education Foundation facilitates student achievement by supporting high-quality public education through partnerships, grants, events, and public awareness.

Red Apple Supplies Vision

The mission of Red Apple Supplies is to serve the educational and creative needs of children in the Palm Beach County public schools by providing a means to transfer donated school supplies from businesses, organizations, and individuals free to teachers for use in classrooms throughout the school year.

“My [students'] parents are trying to supply basic needs to their families, and school supplies take a backseat. Having these school supplies helps level the playing field for these children.”

-Palm Beach County Teacher

The Impact

According to the U. S. Department of Education, 94% of public-school teachers nationwide spend their own money on classroom supplies without reimbursement.

Palm Beach County teachers reported via self-survey spending an average of over \$800 annually per teacher prior to shopping at Red Apple Supplies.

Palm Beach County teachers reported via self-survey, 84% of their students learned in a more equitable classroom environment due to access of essential resources from EFPBC's Red Apple Supplies program.

Since opening the doors to Red Apple Supplies in 2016, nearly 5.5 million dollars has been distributed in free school supplies to teachers and students throughout Palm Beach County.

Through your donations, we can buy all the essential supplies that go in the backpacks wholesale, taking advantage of nonprofit and bulk rates and discounts, so your money will have more purchasing power through the Education Foundation.

Tips for Success

How would you like to collect supplies?

Two popular options include:

- A designated day, week, or month-long collection with barrels or boxes in stores and businesses
- A one-day event in which the community brings donations to fill a school bus, or a large truck. Collect supplies at a meeting, happy hour, or sporting event.

Whom will you invite to participate?

- Engage employees, customers, friends, and neighbors who will help promote and support your supply drive. Share details about your drive on your website, social media, emails, etc.
- Issue a press release about your drive and follow up with local media about running your story.

Try a friendly competition!

- Create competitions among departments or individuals to see who can collect the most supplies.

Coordinate the drop-off date and time of your collected supplies.

- When your supply drive is complete, deliver your collected supplies to Red Apple Supplies (7071 Garden Road – Riviera Beach, FL 33404).
- Please coordinate a day and time for drop-off by emailing Lloyd@EducationFoundationPBC.org or Teresa@EducationFoundationPBC.org.
- Schedule your supplies to be picked up on a Thursday between 10AM-2PM. Schedule your pick-up by emailing Angel@EducationFoundationpbc.org.
